TRAVEL ▪ VILLAS ▪ YACHTS

Welcome to *Belcost*

Belcost is a house of curated experiences,
devoted to three pillars of exceptional living:

Tailor-Made Travel
Ultra-Luxury Villas
Bespoke Yachting

We design and deliver high-end experiences
for a global clientele seeking privacy, precision,
and rare access.

Our team brings together seasoned
professionals from the ultra-luxury
space — individuals who understand
how to anticipate needs,
unlock exclusive opportunities,
and execute with excellence.

Belcost offers a seamless approach to luxury,
where every journey, stay, and moment
is shaped with intention and elegance.

Our *philosophy*

Since its inception,
Belcost has been built on a simple principle:
deliver uncompromising service with
complete discretion.

We work with discerning individuals and
high-profile clients across the world to offer
top-level lifestyle support, both in everyday
life and on extraordinary occasions.

*"Discreet Excellence
for Remarkable Lives."*

Tailor-Made *Travel*

At Belcost, we craft journeys that are deeply personal and globally curated.

From private islands in the Maldives to ski retreats in Aspen or cultural escapes in Kyoto, every itinerary is created with the client's rhythm, preferences, and dreams in mind.

Our Travel Atelier handles every element — from exclusive accommodations to private aviation — with seamless precision, allowing our clients to explore the world in their own effortless way.

"We arrange your personalised travel and ensure that you lack none of the luxuries you deserve"

Ultra-Luxury *Villas*

We offer a global portfolio of ultra-exclusive villas from the shores of St. Barth and the glamour of St. Tropez, to the calm of Mykonos or the views of Cape Town.

Each villa is privately sourced through trusted relationships, with access to rare and off-market properties across the most iconic destinations.

Every home is selected for its distinctive design, sense of place, and lifestyle offering.

Our clients enjoy more than a stay — they enter into a fully serviced, residential experience where every element is thoughtfully arranged.

From the moment of arrival, the comforts rival the world's most exceptional hotels, with the exclusivity, intimacy, and freedom of a private estate.

*Exclusivity,
Elevated.*

The Art of Hospitality

Luxury Conciergerie

Belcost's luxury concierge service embodies the highest standards of private hospitality.

Each villa becomes a stage for intuitive, invisible service — where every detail is curated, every moment anticipated.

From pre-arrival preparation to in-residence excellence, our team orchestrates private chefs, discreet house staff, chauffeurs, wellness experts, and more — all chosen for their ability to serve without presence and deliver without interruption.

This is hospitality as it should be:
refined, tailored, and quietly unforgettable.

*"Belcost offers an exclusive collection
of bespoke luxury experiences, developed
by our team of lifestyle management experts"*

Bespoke *Yachting*

Yachting with Belcost is a statement
of freedom.

We charter fully crewed yachts
worldwide — from the Greek Islands to the Balearics,
the Amalfi Coast to the Caribbean.

Each charter is designed around the client's desires,
whether it's a celebration, a family escape, or a
discreet retreat.

From vessel selection to itinerary curation, everything
is managed with precision,
privacy, and the understated elegance
that defines our brand.

*"Aboard all of our luxurious charter yachts,
from the performance sailing yachts to the
new breed of charter megayachts.*

Global Presence, *Seamless Service* —

Belcost creates moments of pure simplicity, shaped with care, elegance, and precision. Each experience is designed to feel natural, thoughtful, and beautifully fluid.

From a sunrise breakfast on a private yacht to a villa that welcomes you like a second home, every detail is arranged to enhance your sense of ease and enjoyment.

Our strength comes from lasting relationships, a deep understanding of luxury, and a quiet dedication to excellence in everything we do.
